

DIRECTIONS:

From US-441:

In Gainesville, turn at FL-24/Archer Road and proceed west. Shortly past the UF Shands medical center, make a right turn (north) onto Gale Lemerand Drive. Make a left at the next traffic light (less than a tenth of a mile) onto Mowry Road. Drive slightly beyond the Cancer and Genetics Research Complex and take the next left into the CGRC driveway. Upon arrival, please request a temporary parking pass at the UF Genetics Institute administrative offices, which are located in the North Wing (the elevator side). To get there, enter the hallway to the left of the elevators, make a left, walk to the end of the hall, and make a right into our offices. Want to get directions from Google Maps or a similar Web site? The street address of the UF Genetics Institute is 1376 Mowry Road, Gainesville, FL, 32610.

From I-75

Take Gainesville/Archer exit 384 and merge onto FL-24/Archer Road. Head east approximately 2.5 miles to Gale Lemerand Drive. Make a left turn (north) onto Gale Lemerand, Make a left at the next traffic light (less than a tenth of a mile) onto Mowry Road. Drive slightly beyond the Cancer and Genetics Research Complex and take the next left into the CGRC driveway. Upon arrival, please request a temporary parking pass at the UF Genetics Institute administrative offices, which are located in the North Wing (the elevator side). Enter the hallway to the left of the elevators, make a left, walk to the end of the hall, and make a right into our offices. Want to get directions from Google Maps or a similar Web site? The street address of the UF Genetics Institute is 1376 Mowry Road, Gainesville, FL, 32610.
